of the College of Engineering, National Sun Yat-sen University

Formulated on December 29th, 2022

Name: _____ Department: _____
 Present rank: _____ Target rank promotion: _____

Item	Self-Evaluation Score	Faculty Review
Please provide an additional statement explaining the sources of the self-evaluation scores for each item or attach relevant supporting documentation.		
(2-1) 0.8 points will be awarded for each College Outstanding Hoomron Teacher Award received.		
(2-2) 0.4 points will be awarded for each occasion of serving as the College's representative for international talent or student recruitment.		
(2-3) 0.2 points will be awarded for each occasion of serving as the College's representative for domestic student recruitment.		
(2-4) 0.4 points will be awarded for serving as a member of the task force for the College's All-Topic Competition and Exhibition; 0.3 points will be awarded for supervising students who participate in the College's All-Topic Competition and Exhibition.		
(2-5) 0.1 points will be awarded for each occasion of participating or assisting in activities held by the College (must not be double-counted with item 2-2 to item 2-4).		
(2-6) 0.2 points will be awarded for serving as a representative in university-level meetings on behalf of the College or in college-level meetings for one academic year. If the service is less than one academic year, it will be calculated proportionally.		
Total score (maximum of 2 points)	_____ points	_____ points

※Note: The performance scores of the above items are calculated based on the performance at the present rank only.
