

A full-page photograph of two triathletes running on a sandy beach. The athlete in the foreground is wearing a black triathlon suit and a blue swim cap, running towards the right. The second athlete is slightly behind and to the right, also running. Both athletes are splashing through shallow water, creating a large spray of white water droplets that are frozen in time against the blue sky. In the background, there are some buildings and a palm tree on a hill. The image is framed by a bright yellow-green diagonal band that runs from the top right to the bottom left.
