Follow us!

Health insurance

	EHIC *** <i>European Health Insurance card</i>	Enrolment in French social security system*	Private insurance repatriation, civil liability**
EU citizens	Mandatory	-	Mandatory
Non EU citizens	-	Mandatory	Mandatory

* The International team will provide assistance in the registration – around 215 euros per semester and per year - amount revised annually

Medical cover -International students who enroll in a French educational institution are obliged by the French law to enroll in the French Social Security Healthcare system.

** As well as EHIC or Social Security, we recommend that students take out a private insurance that covers repatriation, hospitalization, personal liability, etc

*** EU students are exempted from that regulation but must provide a copy of their European Health Insurance Card (EHIC).

Visa Process

Citizen from Country *	Non-EU	Short-term stay in France (less than 3 months)	Short-Term visa:	VLS-TS (long-stay):
OFII process		x	-	√
Prefecture		x	x	√
Allows work		x	x	√ - 60% max
Allows CAF subsidy		x	x	√

*Citizens from EU countries don't need to apply for a visa

All non EU students should follow Campus France procedures to apply for a study visa <http://www.campusfrance.org/en> Campus France will assist you step by step.

If your country doesn't require to follow campus France procedure; please contact the nearest French Consulate in your country to obtain information regarding your visa requirement well in advance before your departure date from home.

The French Consulate provides the visa VLS-TS (long stay) which indicate "Carte de séjour" (residence permit). They will provide the OFII Form.

International Relations Office. It is mandatory within the three months after your arrival in France to do this procedure.

Contact people: elisabeth.juin@ece.fr
